

Police Department Receives Fingerprint Vendor Approval

Local Fingerprinting Services Through SSPD Return March 18

STEAMBOAT SPRINGS, COLORADO-March 7, 2019-The Steamboat Springs Police Department (SSPD) has received final approval as an Identogo vendor location for fingerprinting services. Identogo is one of two approved vendors for the State of Colorado for these services.

“It’s important for us to be able to serve our local community,” said Police Commander Jerry Stabile. “Our goal throughout this transition has always been to provide an option for local fingerprinting services and we’re happy to be back at it later this month.”

Applicants wanting to visit SSPD for fingerprinting will begin the fingerprint process online by visiting [Colorado CABS website](#). From here, select the reason for your background check from the list of options and click on the + symbol. This section will also provide the fee associated for the specific fingerprinting requirement. At this point, applicants will select Identogo by IDEMIA, which will then redirect them to [Identogo’s webpage](#) to setup an appointment.

Starting March 18, Identogo will be at the SSPD every Monday from 9:00am to 4:00pm and will follow the same observed holidays as the city. There is a vendor-processing fee of **\$10.00** per applicant plus the state and FBI fees (if required). The amount of the state and FBI fees vary by applicant type and other factors determined by the CBI.

For additional questions regarding the process, applicants should visit www.identogo.com or call Identogo’s customer service at 844-539-5539.
