
“No-Rise” Certification

This is to certify that I am a duly qualified registered professional engineer licensed to practice in the State of Colorado.

It is further to certify that the attached technical data supports the fact that proposed _____ (Name of Development) will not impact the 100-year flood elevations, floodway elevations, or floodway widths on _____ (Name of Stream) at published sections in the Flood Insurance Study for the City of Steamboat Springs dated February 4, 2005 and will not impact the 100-year flood elevations, floodway elevations, or floodway widths at unpublished cross-sections in the vicinity of the proposed development.

Attached are the following documents that support my findings:

Date: _____

Signature: _____
