

## **Ski Time Square Roundabout Asphalt Repairs Required**

*Temporary Detours & Flaggers Set For This Thursday & Friday Between 7am to 2pm*

**STEAMBOAT SPRINGS, COLORADO-July 25, 2023**-The city's Streets Department will be conducting asphalt repairs on the roundabout road at the entrance to Ski Time Square in the Mountain Base Area later this week.

Temporary detours with flaggers will maintain traffic flows during the necessary repair work. However, motorists will experience delays in the area during the hours of 7am through 2pm on Thursday, July 27, and Friday, July 28.

The asphalt repairs are being accelerated as unfavorable weather is forecasted for next week.

These repairs require a specific range of temperatures and absence of precipitation around application for the asphalt to cure correctly when applied to the road base.

Motorists are asked to slow down through the work zone, adhere to posted work zone speed limits and to be patient as delays are encountered during the two-day project.
