STEAMBOAT SPRINGS, COLORADO-October 12, 2023-The new state-of-the-art playground in Brooklyn Park will soon unleash the inner child in all of us when the facility officially opens this month.

The innovative playground offers increased play opportunities, with a strong focus on ADA features to benefit a diverse community. The playground includes a 2-5 age group play area that is independent from the 5-12 age group portion.

The structure was manufactured by Burke Commercial Playgrounds and includes numerous advanced play features including a Brava Universal Swing, Viper Slide, and Stability Sanctuary.

This fun, community focused event will include a short presentation with ribbon cutting ceremony from approximately 4:15 PM to 4:30 PM, followed by playground fun and free play from 4:30 PM to 6 PM. In addition to exploring the new playground features, a balloon artist and face painter will be on hand, and attendees can enjoy a tasty snack from the popcorn machine and cold beverages.
